

SlideMate Pro slide printer

service contract

Today's laboratories are measured by the efficiency and accuracy of their workflow processes. If even a single instrument goes down or malfunctions, patient test results may be at risk.

An investment in an EpreDia Preventative Maintenance Contract is simple, cost-effective way to reduce the chance of downtime.

Our Service Team will execute all recommended service at the proper intervals. They will thoroughly inspect your SlideMate Pro from EpreDia and perform any needed maintenance or repairs.

Be confident that your instruments will be up and running when you need them. Contact your local EpreDia representative and learn more about our service offerings today.
